PURIM Amalek-Persia-Iran-Israel

(Sources of input for include Aspaklaria and L'Havdil, Wikipedia and Breitbart Connect

Bilaam, the evil heathen prophet, declared, *"Amalek is the first among nations, but its end will be eternal destruction"* (BaMidbar 24:20)

"And Timna was a concubine to Eliphaz, son of Esav, and she bore Amalek to Eliphaz" (Bereshis 36:12) - The Ramban says that we were commanded not to despise the sons of Esav and not to take their land... but the son of a concubine is not included among the sons of Esav...and we were commanded the opposite regarding them; viz. to hate them and to erase their name...and everything that Moshe and Yehoshua tried to accomplish with them at first, Eliyahu and Mashiach ben Yoseph will accomplish with them at the end of days.

"And Mordechai told him" - The Maharal explains that from the fact that HaShem commanded us to erase Amalek's name, he is not part of reality, and can be regarded as "accidental," whereas the nation of Israel is part of the essence of reality, and that explains the deep hostility of Amalek to Israel, and the basis of our command to uproot him from the world.

The Michtav MeEliyahu explains that Chaza"l said about Amalek that "Near the time of Mashiach, chutzpah will increase in the world." The nature of Amalek was that he was aware of the Truth, but because of his arrogance, he would not submit to it, and acted specifically against his conscience."

Wikipedia – "After the Islamic conquest of Persia, Jews, along with Christians and Zoroastrians, were assigned the status of 'dhimmis,' inferior subjects of the Islamic empire. "Dhimmis" were allowed to practice their religion, but were required to pay taxes (jizya, a poll tax, and initially also kharaj, a land tax)."

Nazi Sympathy – "In 1936 the head of the Reichbank and the financial mastermind of Nazi Germany travelled to Teheran and many important commercial agreements were signed by the two countries....Iranians were called pure Aryans and were excluded from Nuremberg Laws...Bahram Sharukh was employed by German Radio and performed anti-Jewish broadcasts every night. In Purim 1941, Sharukh promoted the idea of revenge for the massacre of Purim in biblical times, and suggested his fellow Iranians attack the Jews."

Breitbart Connect – Regarding Iranian Nuclear Intentions: "The Iranian Constitution states that the Supreme Leader will remain in power except if he dies or becomes incapacitated, or the third possibility is if the Twelfth Imam returns, an event triggering world chaos, as would be the case in a nuclear exchange between Iran and Israel. Regarding such an event, the Supreme Leaders have no fear of it. They say that 'Either we will all become free, or we will go to the greater freedom, which is martyrdom. Either we will shake each other's hands in joy at the victory of Islam in the world or all of us will turn to eternal life and martyrdom. In both cases, victory will be ours. We do not worship Iran, we worship Allah. For patriotism is another name for paganism...I say let this land go up in smoke, provided Islam emerges triumphant in the rest of the world."

Jewish Sources: Haman is called "Haman HaAggagi," because the ruler of Amalek was called Agag.

The Torah says, *"Erase the name of Amalek from beneath the heavens; do not forget!"* (Devarim 25:17)

It also says, *"For the Hand of HaShem is on His throne, saying 'HaShem is at war with Amalek for all generations!'"* (Shemos 17:16)

At the end of the "Aleinu Prayer", we recite *"And HaShem will be King over all of the world; on that day He will be One and His Name One."* (Zechariah 14:4)

And afterwards, we recite, *"Make your plans and they will be overturned ; Say what you wish but they will not be fulfilled, for G-d is with us!"*
